EXPERIENCE

Freelance Web Developer, Remote

July 2020 - February 2021, 8 months

Designed & developed websites for small businesses. Communicated with businesses to create a site that matched their brand and appealed to visitors. Utilized Wordpress, Shopify, HTML & CSS.

Project 1: http://handygeekz.com/

Tutor, Remote

November 2020 - January 2021, 3 months

Met with a younger student virtually twice a week to tutor in general core classes. Also, assisted and helped a younger student learn time management, organizational, and study skills.

E-Commerce Store Owner

August 2020 - December 2020, 4 months

Found a product and a wholesaler, created a website and a brand. Then marketed the store through social media influencers and Facebook ads. Curated professional relationships with suppliers, and ensured customer satisfaction. Used Shopify and Facebook Ads.

Dantex Corporation, Remote— *Data Entry*

August 2020 - October 2020, 3 months

Completed administration tasks. Updated, verified, and managed customer databases. Assisted in the implementation of new CRM software.

Borough of Demarest, Demarest NJ— *Summer Camp Counselor*

June 2018 - August 2018, June 2019 - August 2019

Worked as a team with two other counselors to create a fun and engaging camp experience for campers while following the camp's structure. Ensured the safety of campers at camp and on field trips.
